91075

Arch Hook - Small

Ideal for removing slight dents and creases in wheel arches. Simply hook under lip of wheel arch for pulls without bulging or mis-shaping the panel.

Additional Information

- 155mm wheel arch puller.
- 1.5 tonne pull capacity.
- Two different pulling faces offer choice of curvature to fit most cars.
- Also useful for radiator supports, tail light openings or any lightweight panel pulling tasks.
- Large version also available, please see Part No. 91074.
