

Gerillte Streifenentfernungsscheibe + Adapter

Suitable for the quick removal of pinstriping, decals, stickers, adhesive tape, and residue from car bodywork without damaging the surface. The fluted design of the disc helps to prevent it from overheating which can cause smearing.

Additional Information

- Gerillte Schleifscheibe
- Entfernt Streifen/Aufkleber, Formkleber usw.
- Geliefert mit Adapter zur Nutzung mit Handbohrmaschine
- Max. 4000 U/min
- For removing stripes, decals, stickers and moulding adhesive.
