

Badge Tape 10pc

Sticking badges and emblems back onto a vehicle after repair can be a bit time consuming. Place badge or trim onto the double-sided tape, and when it's lifted back up any unwanted adhesive remains on the backing meaning that there is no need to trim around the outside.

Additional Information

- For sticking badges & emblems back on to a vehicle.
- No more wasted time cutting around double sided tape.
- Unwanted adhesive simply peels away leaving emblem immediately ready for fixing.
- Pack of 10 strips 50 x 300mm.
-
