

Poly Trolley

Keep polythene sheeting mobile and ready to use with this lightweight dispensing trolley. The large wheels make it easy to manoeuvre around the workshop, and allow the sheeting to be pulled over the vehicle and cut to size.

Additional Information

- Polymask sheeting dispenser. For 50" (1250mm) rolls.
- Wheel to vehicle then dispense Polymask. No more dirt pick ups.
- Can be used both horizontally & vertically.
- Manufactured from steel.
