

AiroPower Swivel Clamp - 19235P

Multi clamp for use with the AiroPower kit, clamps onto the edge of body panels. Swivel pin fixing not only allows for the clamp to be used at an angle, but enables it to be used with a chain.

Additional Information

- For use with the Power-TEC AiroPower push & pull body repair system, please see Part No. 91511.
- Multi-clamp design enables it to fit using the angle adaptor, please see Part No. 92052, or directly to a chain, Part No. 92057.
- Can also be used together with the chain connector to adjust chain length, please see Part No. 92056
- Supplied with swivel pin. Also available separately, please see Part No. 92045.
- Part of the AiroPower accessories range.
