

AiroPower Rubber Push Block - 19237P

Grooved foot for use with the AiroPower kit, allows for fitting components and accessories together to achieve the correct set up for the repair.

Additional Information

- For use with the Power-TEC AiroPower push & pull body repair system, please see Part No. 91511.
- The grooved rubber avoids the panel edge from being damaged.
- Ideal for door apertures.
- Supplied with swivel pin. Also available separately, please see Part No. 92045.
- Part of the AiroPower accessories range.
