

Glue Gun - Butane

Butane glue gun for use on many plastics, especially panel repair in bodyshops. Manufactured from Nylon & 20% fibreglass.

Additional Information

- Fuelled with butane gas (lighter gas) so no electricity required. Complete with 2 glue sticks and built in folding stand.
- Size: 147 x 35 x 152mm; weight 224g; fuel capacity 5g.
- Fast, easy start up with push button Piezo ignition. Continuous run time of 45 - 60mins.
- Instant glue flow cut-off to reduce dripping. Safety lock on fuel flow to prevent unintentional use. NOTE: Butane lighter gas not included.
- Ideal for use with Power-TEC dent puller and remover kits, including Part Nos. 92308, 92376, 92407 and Laser Part No. 7004 - Paintless Dent Puller Set. Spare glue sticks available, please see Power-TEC Part No. 92342.
