

## Sanding Block with Dust Extraction 70 x 198mm 5pc

A 5pc hand sanding block set, designed for use with 70 x 198mm hook and loop sanding strips with dust extraction holes. It features 4 interchangeable magnetic backing pads with flat, concave and convex profiles allowing for them to be quickly switched to suit the shape/contour of the panel being sanded. It also features an ergonomic design, with a foam body, for comfort and ease of use, together with a dust outlet and adaptor allowing it to attach to a vacuum hose for dust-free sanding. Manufactured from Polyurethane (PU) foam for durability.

### Additional Information

- Magnetic sanding block, incorporating hose connector for dust free sanding.
- Designed for use with standard 70 x 198mm hook & loop sanding strips.
- Features 4x interchangeable hook & loop backing pads with flat, concave & convex profiles.
